INSERT FIRE

Give up my wetback? **Bugger off!**

**Being forced to give up your wetback?
...we have the answer!**

Firenzo introduces the **AQUALUX** – New Zealand's first environmentally approved **insert wood fire with a wetback**. Leading edge design and engineering now enables you to enjoy the superior performance of a Firenzo insert with a 3kw wetback.

Choose from two fascias - the traditional style of the Athena,
or the classical look of the Forte.
